Explanatory Note

(This is not part of the notification, but is intended to indicate its general purport.)

An instance had come to the notice of the High Court wherein several charge sheets presented by the Police before a Court of Judicial Magistrate were not taken on file and registered in time. It was felt that such instances can be avoided if the concerned Presiding Officers inspected their office periodically. The above rules have been framed with the objective of creating a mechanism whereby the Judicial Officers are required to compulsorily inspect their respective Offices periodically.
